Walking alongside people in their grief

Bereavement support for adults

The Islington Bereavement Service offers support for adults living in Islington and/or registered with a GP in Islington. The service is for people who have experienced the death of a family member, relative or another important person in their life. Run by St Joseph's Hospice and a team of trained volunteers, this service can offer practical, social and emotional bereavement support.

Islington Bereavement Service

Our volunteers are able to provide:

- Companionship and a listening ear
- Emotional support
- Company going for a coffee, a walk or on a local community visit
- Help in finding important support services.

What training do volunteers receive?

All volunteers are fully trained and vetted. They can provide confidential support on a one-to-one basis or within a group setting. They are not counsellors but have been trained in listening skills.
