Compliments

It is always reassuring and motivating for all of us to know that we are meeting the high standards of service and care that we set for ourselves. If you are particularly pleased with the care you have received or the service we provide, we would be delighted if you would let us know by completing the form at the back of this leaflet.

Complaints

Sometimes we do not get things right and we would like to hear directly from you if this is the case. If you have any cause for complaint about any aspect of our care or service, do please let us know. You can do this by talking to a member of staff or in writing. We will take your complaint seriously, investigate the matter promptly and keep you informed.

We will deal with all complaints in complete confidence. What to do if you have a complaint If you have a complaint, you may write to or ask to speak to one of our Senior Management Team who will try and deal with your concerns straight away.

If you are not satisfied with the result of the investigation, our Chief Executive will be pleased to meet with you to discuss this further.

If you are still dissatisfied following this, you may speak to a member of our Board of Trustees or the Care Quality Commission (CQC). Please let us know if English is not your first or preferred language. We will try our best to have an interpreter or health advocates at any meetings.
